PINNACLE

- The natural appearance of laminate woodgrain looks as good as it performs. Your handrail will have the natural appearance of real wood in color, texture and richness. Choose from different woodgrain that perform in exterior conditions.
- There is a world of possibilities for enhancing the curb appeal of your home or business with color laminates. Choose from distinctive solid colors that look as rich as an actual painted surface. These low maintenance selections have a durable pebble matte finish that looks good season after season.
